STURDY FARMERS KEEP OFF ALL CATARRHAL ILLS BY TAKING PE-RU-NA.

MR. GEO. H. THOMPSON.

At Work On the Farm and
Feeling Well All the Time.

Geo. H. Thompson, Craft,
Miss, writes:

"I have been cured of cat-
arrh by your medicines,
Peruna and Manalin. I had
been affected with catarrh of
the stomach about all my
life, and was taken bad every
Spring and Summer.

"I used several kinds of
patent medicines, but they
did me no good. I then took
a treatment under an M. D.,
which did me but little good.
By this time I had come to
where I could eat nothing but
a little soup. I had several
pains, had lost in weight and could
not do anything. I began taking
your medicines, Peruna and Manalin. I
then weighed 125 pounds, but after tak-
ing several bottles of Peruna and
one bottle of Manalin, I weighed 165
pounds.

"I am now at work on the farm and
feel well all the time. I eat all I
want to and my friends say that I look
better than ever before. I will ever
praise Peruna for its healing power."

Peruna is a Systemic Remedy.

If Peruna proves efficient for catarrh
in one place, it will be equally potent
in any other place, because it is a sys-
temic remedy.

The people generally are very much
misinformed as to the nature of catarrh.
Catarrh is usually believed to be con-
fined to the head, nose and throat.
Lately we sometimes hear of catarrh of
the stomach and catarrh of the bowels.
Seldom, if ever, do we hear of catarrh
of any other organs.

It is not because these organs are not
subject to catarrh, nor that catarrh of
these organs is not a very common dis-
ease, but simply because it is not gener-
ally known that affections of these
organs may be due to catarrh.

MR. W. J. TEMPLE.

Climatic Ailments Overcome By
Pe-ru-na.

Mr. W. J. Temple, R. F. D. 3, Dela-
ware, Ohio, writes:

"I am a farmer and so necessarily
must be exposed to all kinds of weather.
About three years ago last winter, I
was taken sick with bowel and stomach
trouble.

"One doctor called it ulceration of
the bowels, another called it colitis.
Another doctor helped me tempo-
rarily.

"Then a druggist recommended
Peruna and I followed his advice. I
took altogether five bottles and I con-
sider myself a well man.

"Before using Peruna, it was utterly
impossible for me to do a day's work,
but now I can do farm work without
the least trouble or fatigue. I consider
Peruna the best medicine and tonic on
the market.

"I had not eaten a meal for five years
without distress until I took Peruna.
I have recommended it to several
friends with good results."

MR. GUSTAV SCHMIDT.

Pe-ru-na, a Most Reliable Remedy For
All Climatic Ailments.

MR. J. B. ALEXANDER.

Chronic Catarrh of
Head and Throat Lasted
Thirty Years.

A Letter Praising Pe-ru-na.

Mr. Gustav Schmidt, Spring Valley, Ill., writes:
"I had catarrh of the head and throat for over thirty years. It became
worse every year. About three months ago I commenced to take Peruna
and Manalin, and now I am entirely cured of that troublesome sickness.
Your medicine is surely a blessing to mankind. You can truly say that you
have not lived in vain, Doctor, and I thank you for the good you have done
me. May you enjoy a long life to help suffering humanity."

DR. HARTMAN, THE FARMER.

Dr. S. B. Hartman, the inventor and
original manufacturer of Peruna, is one
of the best farmers in the Middle West.

His farm comprises several thousand
acres of the best land in the State of
Ohio, located near the City of Columbus.

As an importer of French Percheron
and German Coach horses, the Doctor
has not an equal in this country.

The fowl-raising department is a
marvel of ingenuity and perfection;
but, perhaps the dairy department is
where the Doctor shows his greatest
sense of order and sanitary science.

His milk cows, of the purest Jersey
stock, have all been subjected to the
tuberculin tests, and he gives to the
City of Columbus a pure milk, certified
by the Board of Health.

The milk stables, the milk men and
the whole process of milking are ab-
solutely faultless and clean.

The Doctor himself, past 70 years of age,
is the managing head of the farm.

He himself supervises the working
details of every department.

He is a model of strength and vitality,
and since Peruna is the only remedy he
ever makes personal use of, his physical
condition is a testimonial to the efficacy
of Peruna of greater value than could
be framed in words.

Dr. Hartman is one of the few doctors
who take their own medicine and his
splendid physique and strength in his
old age are an eloquent argument for
Peruna very difficult to gain.

Dr. Hartman, being a farmer himself,
knows what the farmer needs and in
speaking of Peruna to the farmer he
speaks to his own kind of people.

Peruna for Bowel Trouble.

Mr. Stanley Bell, Ashley, Ohio, writes:
"I was afflicted with rheumatism so
badly that it was painful for me to
move. I took two or three bottles of
Peruna when I began to feel better. It
also gave me relief from bowel trouble."

A Necessity in the Home.

J. B. Alexander, publisher of the
"Fruit and Floral Guide, a Magazine of
Horticulture," published in Hartford
City, Ind., says of Peruna:

"I was afflicted with catarrh of the
throat and head for over ten years. I
was treated by many physicians, but
grew worse until I was seldom able to
go out in cold weather.

"About one year ago I was advised to
try Peruna, which I did, and I am now
entirely well of the catarrh.

"Peruna is a necessity in our home.
With the first symptoms of a cold we
use it, and are never afflicted with ca-
tarrh.

"I advise all who are afflicted with
catarrh to try Peruna. There is cer-
tainly nothing equal to it as a catarrh
medicine."

71 Years Old and Able to Work.

Mr. John G. Hirdler, Garfield, Kas.,
writes:

"I was injured by a fall on the rail-
road and my entire nervous system was
impaired by the same. The help of a
physician was useless.

"I then tried Peruna and after using
it for three months was entirely well.
I am 71 years old and my work on the
railroad is hard and tedious, but I
can work like a young man in all kinds
of weather, heat, cold, rain, snow or
storm alike."

Pe-ru-na, a Household Remedy.

Mr. Henry Schroeder, Estey, Mich.,
writes:

"I suffered for almost ten years with
catarrh of the stomach and all doctor-
ing was of no avail. I took nine bottles
of Peruna and two of Manalin and am
now entirely cured.

"I recommend the medicine to all
who are afflicted with this disease. It
is my household friend."

One of Dr. Hartman's Grateful Cor-
respondents.

Mr. W. R. Callahan, proprietor of Big
Hill Farm, and prominent fruit grower
and stock raiser, Glenvar, Va., writes:

"I write to express my kindness
toward you and your good medicine,
Peruna.

"I had a very bad spell of sickness
and could not eat anything at all. My
head, stomach, in fact, my whole body
ached, and it looked as though nothing
would do me any good. I had almost
given up.

"I decided to try a bottle of your
Peruna and before I had taken half the
bottle my appetite came to me and my
head became all right. In fact, I was
all right all over. Peruna cured me."

"While Peruna is not confined to any
one class of people, yet it is probably
true that the farming class more than
any other, rely upon Peruna for the
prevention and cure of all clima-
tic diseases.

Maxville

We read with great pleasure the
purity of editorial thought, as set
in print by The Logan Printing &
Publishing Co., in the weekly is-
sue of the DEMOCRAT-SENTINEL,
striking at the evils of the present
day and the often sad and fre-
quently fatal consequences. A
short time ago we read that the
town marshal of Logan raided a
so-called gambling den in an out-
house of some alley in the queen
city of the valley, operated by a
set of boys. The statement said
that the young gamblers, upon the
entry by the officer, fled in all di-
rections. No arrests were made,

but as the boys were known, the
officer would inform their parents.

The question may be asked,
where did those boys learn the
name of the cards and where did
they receive their first lesson of
how to play cards? We may be
justified in answering, at their
parental homes, at the festive card
and euchre parties given by their
parents as a social entertainment.
The entertainment by playing
cards, without the object of finan-
cial gain, may be harmless in it-
self, but the lesson taught to the
child, sitting silently watching the
game, may be harmful. In the
mind of the child there is a mys-
terious longing for something new
to see, to investigate and to learn,
harmful or beneficial; a psycho-
logical instinct, like the psychic
instinct of a fly entering the web of
the spider, and the boy who
sits and learns to play cards at
the parental table may, in after
years, play for gain with disas-
trous results.

We are not in favor of "Blue
Laws," we advocate manly, moral
and political as well as religious
freedom, but as our rising genera-
tion is expected to step into the
foot prints of great men, these
boys of ours ought to be brought
up in an atmosphere of purity,
under the benign influences of a
parental, christian home. We
must admit that during the last
decade, we, like the European
countries, have no more a Chris-
tian Sabbath, but only an nominal
Sunday, and all laws thus far en-
acted seem to be insufficient to
stop this tidal wave of demoraliza-
tion. It is therefore the home,
school and the church that stand
as a frowning fort defying the
assault of evil tendency, and as
Magauley triumphantly said, "in
every experimental knowledge,
there is a tendency toward perfee-
tion," and we add, either toward
good or toward evil, is the candid
opinion of the writer.
